Corrigendum Notice

Corrigendum to the ToR published on 10 January 2017, for the procurement of R&D services in the field of Border Surveillance for Public Authorities who are members of the EWISA project Consortium with deadline for submission of requests to participate: 10/02/2017.

Candidates who wish to submit their request to participate in the above mentioned tender are kindly requested to note the following modification in section 5.16.1. under the title Submission of Requests to Participate (STEP 1) - Envelope A page of the ToR:

Instead of: “x. Relevant experience certificate – the evidence shall be furnished by at least two of the following means: a) list of the main R&D services provided in the past three (3) years (description of the subject matter of the project, start and completion date, estimated value before VAT, public or private recipients thereof), b) An indication of the team involved (educational and professional qualifications, R&D experience), c) A statement of the tools or the technical equipment available to the tenderers for providing the services”.

Read: “x. Relevant experience certificate – the evidence shall be furnished by all three of the following means: a) A list of the main contracts in the field of Border Surveillance provided in the past three (3) years (description of the subject matter of the project, start and completion date, estimated value before VAT, public or private recipients thereof), b) An indication of the team involved (educational and professional qualifications, R&D experience), c) A statement of the tools or the technical equipment available to the tenderers for providing the services, including the supporting surveillance equipment”.

All other terms and conditions of the ToR remain unchanged. Detailed information can be obtained from the website
