Contract notice

Services

Directive 2014/24/EU

Section I: Contracting authority

I.1) **Name and addresses**

Center for Security Studies (KEMEA)

4, P. Kanellopoulou Str.

Athens

10177

Greece

Contact person: Pantelis Michalis

Telephone: +30 2107710805 / 334

E-mail: ewisa@kemea-research.gr

Fax: +30 2111004499

NUTS code: GR300

Internet address(es):

Main address: www.kemea.gr

I.2) **Joint procurement**

I.3) **Communication**

The procurement documents are available for unrestricted and full direct access, free of charge, at: <http://www.ewisa-project.eu/index.php/procurement>

Additional information can be obtained from the abovementioned address

Tenders or requests to participate must be submitted to the following address:

Center for Security Studies (KEMEA)

4, P. Kanellopoulou Str.

Athens

10177

Greece

Contact person: Pantelis Michalis

Telephone: +30 2107710805 / 334

E-mail: ewisa@kemea-research.gr

Fax: +30 2111004499

NUTS code: GR300

Internet address(es):

Main address: <http://www.ewisa-project.eu/index.php/>

I.4) **Type of the contracting authority**

Body governed by public law

I.5) **Main activity**

Other activity: National Research Agency on Homeland Security

Section II: Object

II.1) **Scope of the procurement**

II.1.1) **Title:**

Pre-Operational Validation (POV) Contract for R&D (research and development) services for Land Border Surveillance between EWISA project Partners

II.1.2) **Main CPV code**

73200000

II.1.3) **Type of contract**

Services

II.1.4) **Short description:**

The purpose of POV (Pre Operational Validation) EWISA tender is to procure R&D (Research and Development) Services in Land Border Surveillance, following the concept of a unified integrated solution for the external EU borders based on Data Fusion from Heterogeneous sensors including Video Analytics Technologies generating Intelligent Analysis reports.

The aim is to obtain two (2) different technical solutions (Solution 1 and Solution 2) which will be implemented, tested and evaluated in the four (4) areas of the project (Greece, Finland, Romania and Spain).

Ownership rights of IPRs generated by a company during the POV contract should be assigned to that company, while the public authorities directly contributing to the POV Phase 2, and the institutions of the European Union, should be assigned a free licence to use the R&D results for internal use, as well as the right to require participating companies to license IPRs to third parties under fair and reasonable market conditions.

II.1.5) **Estimated total value**

Value excluding VAT: 5 434 000.00 EUR

II.1.6) **Information about lots**

This contract is divided into lots: yes

Tenders may be submitted for all lots

Maximum number of lots that may be awarded to one tenderer: 1

II.2) **Description**

II.2.1) **Title:**

SOLUTION 1

Lot No: 1

II.2.2) **Additional CPV code(s)**

73200000

II.2.3) **Place of performance**

NUTS code: GR

NUTS code: FI

NUTS code: ES

NUTS code: RO

Main site or place of performance:

a. Greece

b. Finland

c. Spain

d. Romania

II.2.4) **Description of the procurement:**

In each solution the EWISA core system (Video Analytics Software (VAC), Centralized – Decentralized and Data Fusion - Intelligence Analysis Reporting) will be deployed and evaluated in all above mentioned test sites, while the majority of the Surveillance Supporting Equipment (platforms and standalone sensors) will be deployed in at

least two test sites. Thus, a comparison and the evaluation of each solution will be carried out under the same environmental and operational conditions.

The innovative solutions procured have the same common core functionality and performance characteristics, which are part of the common specifications for the call for tender. However, due to differences in the local context of each individual EWISA partner, there are also additional local functionality requirements for each EWISA partner, which are reflected in the specificities of different solutions.

In SOLUTION 1 the following Surveillance Equipment should be deployed:

One (1) Land Vehicle with EO/IR/SWIR/RF*/SL*/LP* for six (6) months.

Two (2) Low Emission Radars for six (6) months

Two (2) ESM for six (6) months

One (1) Fiber Optics system for three (3) months.

* RF stands for Rangefinder, SL for Spot Light and LP for Laser Pointer.

II.2.5) **Award criteria**

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6) **Estimated value**

Value excluding VAT: 2 717 000.00 EUR

II.2.7) **Duration of the contract, framework agreement or dynamic purchasing system**

Duration in months: 18

This contract is subject to renewal: no

II.2.9) **Information about the limits on the number of candidates to be invited**

II.2.10) **Information about variants**

Variants will be accepted: no

II.2.11) **Information about options**

Options: no

II.2.12) **Information about electronic catalogues**

II.2.13) **Information about European Union funds**

The procurement is related to a project and/or programme financed by European Union funds: yes

Identification of the project: This procurement receives funding from the European Union's FP7 Research and Innovation Programme, under grant agreement No 608174 - EWISA (see www.ewisa-project.eu).

II.2.14) **Additional information**

The POV procurement is exempted from the EU public procurement directives and the national laws that implement them (as it concerns the procurement of R&D services where the benefits do not accrue exclusively to the contracting authority for its use in the conduct of its own affairs. The EU has given a grant for this procurement but is not participating as a contracting authority in the procurement

II.2) **Description**

II.2.1) **Title:**

SOLUTION 2

Lot No: 2

II.2.2) **Additional CPV code(s)**

73200000

II.2.3) **Place of performance**

NUTS code: GR

NUTS code: FI

NUTS code: ES

NUTS code: RO

Main site or place of performance:

- a. Greece
- b. Finland
- c. Spain
- d. Romania

II.2.4) Description of the procurement:

In each solution the EWISA core system (Video Analytics Software (VAC), Centralized – Decentralized and Data Fusion - Intelligence Analysis Reporting) will be deployed and evaluated in all above mentioned test sites, while the majority of the Surveillance Supporting Equipment (platforms and standalone sensors) will be deployed in at least two test sites. Thus, a comparison and the evaluation of each solution will be carried out under the same environmental and operational conditions.

The innovative solutions procured have the same common core functionality and performance characteristics, which are part of the common specifications for the call for tender. However, due to differences in the local context of each individual EWISA partner, there are also additional local functionality requirements for each partner, which are reflected in the specificities of different solutions.

In SOLUTION 2 the following Surveillance Equipment should be deployed:

One (1) Boat with EO/IR/SWIR/RF* for six (6) months.

One (1) Aerostat with EO/IR/SL*/LP* for three (3) months.

One (1) Low Emission Radars for six (6) months

One (1) ESM for six (6) months

One (1) Fiber Optics system for three (3) months.

* RF stands for Rangefinder, SL for Spot Light and LP for Laser Pointer.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6) Estimated value

Value excluding VAT: 2 717 000.00 EUR

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months: 18

This contract is subject to renewal: no

II.2.9) Information about the limits on the number of candidates to be invited

II.2.10) Information about variants

Variants will be accepted: no

II.2.11) Information about options

Options: no

II.2.12) Information about electronic catalogues

II.2.13) Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds: yes

Identification of the project: This procurement receives funding from the European Union's FP7 Research and Innovation Programme, under grant agreement No 608174 - EWISA (see www.ewisa-project.eu).

II.2.14) Additional information

The POV procurement is exempted from the EU public procurement directives and the national laws that implement them (as it concerns the procurement of R&D services where the benefits do not accrue exclusively to the contracting authority for its use in the conduct of its own affairs. The EU has given a grant for this procurement but is not participating as a contracting authority in the procurement

Section III: Legal, economic, financial and technical information

- III.1) **Conditions for participation**
- III.1.1) **Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers**
- III.1.2) **Economic and financial standing**
Selection criteria as stated in the procurement documents
- III.1.3) **Technical and professional ability**
Selection criteria as stated in the procurement documents
- III.1.5) **Information about reserved contracts**
- III.2) **Conditions related to the contract**
- III.2.1) **Information about a particular profession**
- III.2.2) **Contract performance conditions:**
- III.2.3) **Information about staff responsible for the performance of the contract**

Section IV: Procedure

- IV.1) **Description**
- IV.1.1) **Type of procedure**
Restricted procedure
- IV.1.3) **Information about a framework agreement or a dynamic purchasing system**
- IV.1.4) **Information about reduction of the number of solutions or tenders during negotiation or dialogue**
- IV.1.6) **Information about electronic auction**
- IV.1.8) **Information about the Government Procurement Agreement (GPA)**
The procurement is covered by the Government Procurement Agreement: no
- IV.2) **Administrative information**
- IV.2.1) **Previous publication concerning this procedure**
- IV.2.2) **Time limit for receipt of tenders or requests to participate**
Date: 10/02/2017
Local time: 12:00
- IV.2.3) **Estimated date of dispatch of invitations to tender or to participate to selected candidates**
Date: 24/02/2017
- IV.2.4) **Languages in which tenders or requests to participate may be submitted:**
English
- IV.2.6) **Minimum time frame during which the tenderer must maintain the tender**
Duration in months: 8 (from the date stated for receipt of tender)
- IV.2.7) **Conditions for opening of tenders**

Section VI: Complementary information

- VI.1) **Information about recurrence**
This is a recurrent procurement: no

VI.2) **Information about electronic workflows**

VI.3) **Additional information:**

KEMEA is acting as a contracting authority on behalf of EWISA Consortium Members.

VI.4) **Procedures for review**

VI.4.1) **Review body**

EWISA Technical Board

Athens

10177

Greece

Telephone: +30 2107710805

Fax: +30 2111004499

Internet address:www.kemea.gr

VI.4.2) **Body responsible for mediation procedures**

VI.4.3) **Review procedure**

Precise information on deadline(s) for review procedures:

All possible complaints during the tendering process will be submitted to the Technical Board (TB). The TB is responsible to evaluate the complaints and to submit its opinion to the Contracting Board for final decision. The complaints will be submitted within 10 days following the notification of the final decision of the CB. Possible complaints against any decision of the TB may be reviewed by Greek civil courts. An arbitration clause will also be provided. Submission of complaints shall not lead to unreasonable delays in the evaluation and award procedures.

VI.4.4) **Service from which information about the review procedure may be obtained**

Center for Security Studies

Athens

10177

Greece

Telephone: +30 2107710805

E-mail: ewisa@kemea-research.gr

Fax: +30 2111004499

Internet address:www.kemea.gr

VI.5) **Date of dispatch of this notice:**

10/01/2017
